## Who We Are

C&S delivers critical infrastructure design, planning, and construction projects to clients nationwide. Founded in Syracuse, NY, we have staffing opportunities in offices coast to coast.

Our clients cross many sectors, including aviation, government, healthcare, higher education, industry, K-12 education, private developers, and more.

Our diverse services include:

- ◆ Aviation
- ◆ Civil/site infrastructure
- ◆ Construction management
- ◆ Construction/design-build
- ◆ Energy
- ◆ Environmental
- ◆ Facilities
- ◆ Planning
- ◆ Sustainability
- ◆ Transportation

C&S plans, designs, constructs, and maintains the built and natural environment.

## Fun at Work

Our employees work hard, but we also encourage and promote fun. C&S sponsors many activities for employees—everything from ice cream days to outings to contests and giveaways. Our employees also enjoy:

- ◆ Awards programs
- ◆ Sporting events
- ◆ Group outings
- ◆ Prize drawings
- ◆ Employee contests

## Giving Back

C&S is proud of the considerable investment we make in our local communities. We encourage employees to serve their local not-for-profits and work with them to give corporate support whenever possible.

- ◆ Matching gift program
- ◆ Volunteer opportunities
- ◆ Board support
- ◆ Volunteer giving
